

Hurst Marina Ltd. is hiring for our **Fibreglass/Gelcoat Body Shop**.

Hurst Marina, established in 1976, is a multiple award winning boat dealership and full-service marina situated in Manotick on the Rideau River.

Responsibilities include, but not limited to:

- Grinding fibreglass areas to be repaired.
- Scrapping/sanding off bottom paint. Buffing and waxing.

This is a physically strenuous and demanding position.

Previous body work experience an asset but not essential. We will train.

The successful candidates must:

- Be extremely proficient in using hand and power tools
- Be physically dexterous to lift and handle heavy objects
- Be competent at performing routine manual labour tasks
- Work in seasonal weather conditions.
- Have a proven ability to understand and execute written and or verbal instructions
- Be self-motivated and pay great attention to detail
- Work well in a team environment
- Have their own transportation (Public Transit is not available)

These positions are generally seasonal (April to October) but may lead to becoming apprenticed. Hours are Monday to Friday 8am to 5pm with the possibility of Saturdays and overtime as required.

Interested candidates may submit their resume by e-mail to hr@hurstmarina.com
